

3rd International Workshop on Economic Complexity and Macroeconomic Dynamics

October 7th – 8th, 2026

University of Jaume I of Castellón, Spain

Call for Papers

The University of Jaume I of Castellón, the Universidad San Francisco de Quito (USFQ) and the University Bamberg are pleased to host the 3rd International Workshop on Economic Complexity and Macroeconomic Dynamics at the University Jaume I of Castellón on October 7th-8th, 2026.

Keynote Speakers:

Basile Grassi
University Bocconi, Milan

Tiziana Di Matteo
King's College, London

We particularly encourage submissions of new work on the following topics:

- Economic complexity in macroeconomics and finance
- Agent-based macroeconomic and financial models
- Network models in climate policy, economics, and finance

Paper Submission

Prospective speakers should submit a PDF file of their paper or an extended abstract of around one page to

complexitymacro.workshop@gmail.com

by 15th July, at the latest. Graduate students (M.Sc. or PhD) are invited to indicate their interest in participating in a poster session. Acceptance notifications will be sent by mid-August 2025. The conference fee is 150€ (waived for all undergraduate and PhD students).

Please go to the workshop's website <https://complexitymacro-workshop.com/> for more information.
